She went by many names and the
people called her the
Scarlet Devil. She was the
strongest person in the
world. No one dared to
fight her.

She could control time, space,
and the flow of time. She
was the strongest person in
the world. She was the
strongest person in the
world. No one dared to
fight her.

I think you should remember that
the world is not a place where
you can find a person who
is not a person.

She went to fight a vampire called the Scarlet Devil in
1997, and neither of them was ever heard from again.
